

School Arts Project Student Evaluations- Debbie Riley

In Term 1 before I did the Arts Project I ...	What I enjoyed the most ...	During the project I ...	In Term 3 I...
..was very shy and not confident	was the warm-ups that we did like Zombie and murderer.	...that when someone's passing something we should not disturb the audience.	...am now a professional actor.
...was shy and nervous to meet famous actors.	was the acting. I want to be a famous actor.	...to be more confident.	...have got more confidence to perform in front of people.
...was scared, afraid and shy.	was that it was fun, funny and very exciting.	...that if someone does something wrong you should just whisper so the audience does not notice the mistake.	...am now a really confident and funny person.
...was shy.	...was the Zombie game.	...how to be brave.	...am now going to an actor in the future.
...was very shy and not a very confident person.	...was meeting actors and the acting too.	...that when you are acting on stage you need to use a loud and clear voice.	...a confident person and I have changed from being shy to now a very confident person.
...was shy.	...was that it was fun.	...to be more confident.	...am now good at performing.
...was a new girl at school.	...was having fun and achieving my dream and acting.	...that if you forget your lines just make them up.	...I know what it is like to be a professional actor and dancer.
...was so excited to try drama.	...was meeting actors and acting.	...that when someone is doing something wrong you just whisper to them.	...am now very confident.
...was shy and not very confident.	...was the singing and dancing.	...how to speak loudly and clearly on stage.	...am now very brave to show myself and happy.
...not very confident to perform in front of an audience	... was performing at theatre and dancing in front of an audience.	...what it is like to be a professional actor and dancer.	...am now very confident and not afraid anymore.
...was really shy and afraid when moved to a new class.	...acting and performing for our school.	...that acting is learning.	...am now very confident.
...was shy, scared and I had no confidence.	...doing the drama because it helps me to become more confident.	...that I was having fun and gaining more confidence .	...am now not shy.
...was not confident and I was scared.	...was the games that we played and performing the dance.	...how to be a great actor and how to perform well on stage.	...am now not afraid to achieve many things and perform in front of a large audience.

...was nervous and shy.	...was learning about acting and dancing in front of a large audience.	... to use a loud, clear voice.	...am now not nervous to perform.
...could not talk to my mum and dad.	...was all the games that we played.	...to use a loud,clear voice.	...know what it is like to be a professional actor.
...was very shy and afraid.	...was playing Zombies,21,murderer and my most favourite thing was acting.	...that when you're having fun the audience are having fun too.	...now have confidence.
...was so shy.	...was playing Zombies and 21.	...to not look at the people if you are shy. Look at a spot on the back wall.	...now able to know what it is like to be a professional actor.
...was scared of performing in front of an audience.	...was that we got to play games like Zombies.	...that you must have fun when performng.	...am now confident and not shy.
...was not very excited to do drama.	...was acting and meeting Mia and Jackie.	...that when someone is doing something wrong you just whisper to them.	...am now thinking of being an actor and I am not afraid to act in front of a large audience.
...used to get really nervous performing in front of an audience.	...was playing the game Zombie.	...that if you forget your lines you make something up.	...am now not shy and I am now able to do anything.
...was shy,no confident and kind of scared.	...was playing Zombies, using puppets,playing 21.	...not to growl people on stage because if you do the audience will look at you rather than the person performing.	-am now confident, not afraid and now what it is like to be a professional actor or dancer.
...was very nervous and scared in front of Mia and Jackie.	...was performing in front of my family.	...that I can perform in front of people and our school.	...am now not scared to perform in front of an audience.
...was scared.	...was playing 21 and Zombies.	...that P/Lightbulb can be fun and cool.	...am now a confident performer.
...was shy because I thought everyone was looking at me.	...was playing the games.	...that when you are nervous you look at a backwall spot please.	...am now not afraid to achieve anything and I am a confident person.
...was shy and not confident.	...was doing the eggie dance , acting and doing the grandma scene.	...that if someone is passing something to you ,you do not distract the audience.	..am now confident and a great actor. Also can perform in front of a big,big audience.
...used to face my back to the audience	...was working with Mia and Jackie	...that when the actor is having fun the audience is too	...am now not afraid to do anything.
